

REFLECTIONS 2015-16: “Let Your Imagination Fly”

Duval County Council of PTAs Winning Entries

Reflections is a nationwide arts appreciation and recognition program for students in grades PK-12. The program allows students to express themselves artistically based on a common theme. This year’s theme is *“Let Your Imagination Fly”*

Entries were judged on Interpretation of Theme, Artistic Merit, Creativity, and Mastery of Medium. Each entry was accompanied by an artist statement to describe the student’s interpretation on the theme.

This year, we collected 228 entries from 18 local PTAs and PTSAs. All entries shined with talent. The students put lots of effort into their work, artist statement, presentation, and individual interpretation of this year’s theme.

For each grade division, three entries were given for the Award of Excellence which were forwarded to the State Reflections program and up to five entries were recognized with an Honorable Mention with the Award of Merit. All listed winners are invited and will be recognized at the Duval County Reflections Reception in May 6, 2016 at Atlantic Coast High School beginning at 6:30pm. We are very proud of all participants and hope that they feel proud of job very well done.

Lastly, thank you to the Local Unit Reflections Chairs, parents, and volunteers for their extensive support of our students throughout this program. Also, a big thank you to the judges who allowed the student’s efforts and hard work become a realization.
