Financial

Conduct a **mid-year budget review**. At this time, you can amend the budget to adjust the proposed budget to actual, and you may have to adjust, remove, and add some line items in both the income and expense sections. The budget is only an estimate of the planned expenditures for the year. When there are additional expenses or a change in an allocated expenditure, the budget **must be amended by a vote of your general membership**.

Did your PTA conduct its audit? Did your PTA file its 990? For more information:

If you know your bylaws will expire any time before September 2021, go ahead and take care of renewing them this spring so no one is caught off guard when school starts back up in the fall. Information on updating bylaws can be found here: <https://floridapta.org/bylaws/> Questions? Contact Localunits@dccpta.org

Advocacy

- Sign up for Voter Voice:
<https://floridapta.org/voter-voice-legislative/>.

Meeting minutes are never discarded as they are a legal record of what was done at a meeting (not what was said) and the order in which it happened. Find a Records Retention Schedule [HERE](#)
